

Dear Friend:

The enclosed check represents a partial refund of your remittance for 1970 Proof Coin Sets.

We sincerely regret having to reduce your order; however, this action was taken so that the Mint could make these sets available to more collectors, even though our ability to produce proof coins will again be limited, due to personnel ceilings and the increasing demand for coin for general circulation.

Over 200,000 orders for 1969 Proof Sets had to be returned, leaving many collectors disappointed. By reducing the number of sets per order for 1970, we will be able to make a much wider distribution of our limited production.

It is our sincere hope that you will understand our position in this matter. We feel this action is necessary, as well as being a fair and equitable method for distribution of the 1970 Proof Coin Sets.

Proof Sets will be manufactured and shipped during the entire calendar year 1970, therefore it may be a number of months before your order can be filled.

TREASURY DEPARTMENT
OFFICE OF THE DIRECTOR OF THE MINT
Washington, D.C. 20220

Dear Friend:

Orders for the 1970 Proof Coins will be received by the San Francisco Assay Office beginning November 1, 1969, until the limit of production capacity has been reached.

Orders may be for 1 thru 5 sets per order. The price per set will be \$5.00, including handling and shipping. Each set will include a 50¢, 25¢, 10¢, 5¢ and 1¢ piece.

Those who are familiar with the Proof Coin Sets, know they are pieces prepared from special blanks, struck with highly polished dies to assure the mirror-like finish, which identifies these sets. They will be produced at the United States Assay Office in San Francisco, where the 1969 Proof Coin Sets were made. The 1970 Proof Coin Sets will carry the "S" Mint Mark, and will be packaged in pre-cast plastic containers. As orders are received, the United States Assay Office at San Francisco will send acknowledgments as promptly as possible. It may be several months, however, before your order can be filled, as these sets will be manufactured and shipped during the entire calendar year 1970.

The Proof Coins will be sent to you by first class registered mail. *We would appreciate having all correspondence regarding Proof Coins directed to the Officer in Charge, United States Assay Office, Numismatic Service, 350 Duboce Ave., San Francisco, Calif. 94102.*

For those who have not received their 1969 Proof Coin or Uncirculated Sets, we beg your continued patience. The sets are still being mailed out in accordance with the Bureau of the Mint's policy of filling orders as quickly as production and packaging schedules will permit.

Each set consists of a 50¢, 25¢, 10¢, 5¢ and 1¢ piece from the Denver Mint, a 25¢, 10¢ and 1¢ piece from the Philadelphia Mint, and a 5¢ and 1¢ piece from the U. S. Assay Office at San Francisco. The price of \$2.50 per set includes the 1st class registered mail fee. The maximum number of sets per order is 5 sets.

As orders are received, acknowledgments will be sent as promptly as possible. It may be several months, however, before your order can be filled. The sets will be sent by first class registered mail. Please direct all correspondence regarding Uncirculated Sets to the Officer in Charge, U. S. Assay Office, Numismatic Service, 350 Duboce Avenue, San Francisco, California 94102.

MINIATURE PRESIDENTIAL MEDALS

Miniature versions of the official Mint medals of the Presidents are now available. Each medal is 1-5/16 inches in diameter, and they are produced at the Philadelphia and Denver Mints. These medals are 50¢ each over the counter, and 60¢ each by mail.

Gold plated miniature medals produced at the Philadelphia Mint are also offered, and are available over the counter at \$5.00 each, or \$5.25 by mail. A plated loop is attached to the top rim so it can be placed on a chain or bracelet.
